THE FINE PRINT

All prices are in US Funds (US).

If you are considering a custom design we will be happy to produce a digital mock up of your idea. A custom order is a plate/platter with extensive changes to one of our existing designs, something we have never done before or, a plate that requires elaborate / intricate / script lettering. Please note that there is a supplemental custom design fee of \$10 - \$35 for custom orders. The exact cost will depend on the intricacy of your design and we will quote you before ordering. Please note: We will NOT copy our competitor's designs.

There is no extra charge for changing out colours (re: hair colours, adding glasses, a beard etc.) Simple changes are offered at no extra charge.

We are rather conservative re: the number of signatures ea. plate or platter will hold. The actual number will depend greatly upon your guests. If the first person that signs the plate/platter also adds a message, others who come after will tend to follow suit. We suggest that you put someone in charge of your plate/platter. This person is there to suggest that your guests sign their name only & to make sure the pen is capped when not in use. In the event that you run out of room on the front of the plate/platter, your guests can also sign the back.

One pen is normally enough to last the day and beyond, but some people do like to have an extra pen "just in case". Keeping the pen capped when it is not being used is the key. This will prevent the tip from drying and result in a better "flow" of paint from the pen.

Each of our plates and platters is very carefully packed with tissue, bubble wrap, and

other packing materials. It is then double boxed to ensure that it arrives intact and undamaged. In the event that you receive a broken plate or platter, please contact us within 48 hours. Please keep the original packaging material and send us digital pictures of the packaging and the damaged item. We will replace the item at no cost to you.

Every order is shipped from Montreal, Quebec, Canada. Your order will be in transit approx. 2-12 business days depending on your location. If you require a speedier service or a guaranteed transit time, please contact us for a quote on express shipping.

Generally speaking, most personalized orders will ship within 1-3 weeks. That being said, some custom orders, large quantity orders and orders requiring extensive personalization may take longer. Please remember we hand paint everything that is pictured on our web site.

We will contact you if we have any questions regarding your order or if we require additional information to process your order. If any item is out of stock, we will tell you and provide you with an expected ship date.

If you have any questions, please do not hesitate to contact us.
